ORDER

Government of Andhra Pradesh have forwarded the proposals to Government of India for approval of Market Intervention Scheme (MIS) for procurement of Oil Palm Fresh Fruit Bunches (FFB) for the Crop Season 2012-13 for safeguarding the Oil Palm Farming Community in the state from the steep fall of Crude Palm Oil Prices (CPO) vide reference 3rd read above.

2. Government of India has approved for the procurement of Oil Palm FFB under Market Intervention Scheme (MIS) in Andhra Pradesh for the Crop season 2012-13 as per the following details:

1. **MIS will remain in force from 01.01.2013 to 31.03.2013.**
2. **A maximum quantity of oil palm FFB up to 90,000 MTs may be procured, under the scheme by the State Agency i.e., AP OILFED.**
3. **The Market Intervention Price (MIP) will be Rs.5720/-per MT for FAQ of Oil Palm FFB, with the overhead expenses of Rs.100/-per MT or actual whichever is less. The overhead expenses include purchase tax, mandi tax, godown charges, packing material, loading/unloading, commission, transportation, grading & Packaging/stitching charges etc.,**
4. **The losses, if any, will be shared on 50:50 basis between the Central Government and Government of Andhra Pradesh. However, the loss is restricted upto the 25% of the procurement cost.**
5. **The Procured quantity of Oil Palm FFB will be disposed of by the procuring agency at the maximum realizable rates to reduce the losses on Government Account.**
6. **Purchase centers/areas will be decided by the State Government in consultation with State Agency.**
7. **The stocks will be purchased from the Cooperative Societies, farmers organizations or directly from the farmers to eliminate the possibility of middlemen taking advantage of the scheme. Further, a mechanism should be developed to ensure that the produce is purchased from genuine farmers only. All the relevant documents/records should be properly maintained by the procuring agency.**
8. **Since the Oil Palm FFBs are highly perishable in nature and need immediate processing within 24 hrs. after harvest, the designated procurement agency shall dispose of the procured FFB stocks immediately by selling the stocks at collection centers to the oil palm processing units of the respective factory zone.**
